**MEMORANDUM FOR:** Executive Director, NPIC  
**THROUGH :** Chief, Support Staff, NPIC  
**SUBJECT :** Request for Security Clearances

1. It is requested that the following employees of the [redacted] be granted TS, T-KH-SI clearances:

[redacted] background in electrical engineering, equipment design and evaluation, along with his Ph.D. in experimental psychology and especially vision, will make him a uniquely qualified asset to the NPIC Human Factors Program. He will be utilized on specific contractual subtasks involving human visual mechanisms in photo interpretation and the evaluation of man-machine system allocations.

[redacted] lengthy experience in training technology and research planning has been most appropriate background to her assignment to the NPIC Human Factors Program. She will be project leader on the photo interpreter training subtask.

[redacted] is an experienced scientific research administrator and is assuming the role of operations manager at Boeing for the NPIC Human Factors Program.

[redacted] is a human factors analyst specializing in bibliography compilation and research evaluation. He will be employed on the NPIC Human Factors Program to apply documented research conclusions to Center problems and to assist in the development of a human engineering guide to the design of photo interpreter equipment.

2. In each of the above cases, access to information revealing the quality and quantity of reconnaissance materials handled at NPIC will be required. Without this knowledge, the effectiveness of these workers will be severely limited. The absence of these clearances in the past
